

The following list of landscape contractors attended a voluntary joint educational meeting with the Prior Lake-Spring Lake Watershed District, Scott SWCD, City of Prior Lake, MN DNR Waters and MN DNR Enforcement on February 25, 2009. This meeting discussed the tools needed to engage in shoreline and landscape contracting that meets the various rule requirements and protects shoreland habitat and water quality. These contractors were given opportunities to go above minimum rule requirements on their projects and to receive technical and financial assistance for doing so.

The PLSLWD maintains this list solely as a service to District residents and businesses. This list does not represent an endorsement by the District. All users of this list are responsible for ensuring that any company with whom they contract for products or services complies with the requirements of local, state and federal law.
