Residential Cost Share Application

Next Steps

1. Complete, sign, and submit this form to the PLSLWD, via email to info@plslwd.org (scanned with signature) or by standard mail to the address below.
2. A PLSLWD representative will contact you to set up a visit to your proposed project location.
3. If the project meets the requirements of the PLSLWD (see below), a representative will sign this form and give you a copy.
4. Build your practice.
5. Contact the PLSLWD to schedule a second site visit to verify construction of your project.
6. If the project is satisfactorily completed and funds are available, a PLSLWD representative will sign this document a second time and provide you with a copy.
7. The District will then issue you a check for \$250.

Terms and Conditions

To be eligible for cost-share from the District, the following conditions must be met:

1. This form must be completed and signed by a District representative before beginning construction.
2. Technical review from an approved source, such as the Scott SWCD or Metro Blooms, may be required before the District approves an application; attendance at a Blue Thumb workshop may also meet this requirement.
3. Rain gardens, rainwater redirection, and natural shoreline restoration (not exclusively rock shorelines) are examples of practices that may be eligible for cost-share.
4. Practices that receive cost-share benefits from the District must display an informational sign visible from a public location, such as a street or lake.
5. Practices must be within the boundary of the Prior Lake - Spring Lake Watershed District.
