

I've been a resident of Prior Lake for about five years, and an employee of the PLSLWD for three years. My background is in meeting management and sports association administration.

My husband, Dave, is a sales manager, and we have two kids, Joe (27) and Maggie (25).

You'll likely find us enjoying the lake (especially Rockin' on Reeds and Lakefront Music Fest), golfing, or working on house projects.

Fun Fact: *I was a DJ at a country music station in North Dakota in my early 20's and I don't even like country music!*
