## Prior Lake, Watershed District to hold annual cleanup Oct. 29

The city of Prior Lake and the Prior Lake Spring Lake Watershed District are sponsoring their annual fall cleanup event later this month.

The cleanup is scheduled for 12:30-3 p.m. Sunday, Oct. 29 at Fish Point Park, 15111 Fish Point Road SE, Prior Lake. The city and the district recently completed

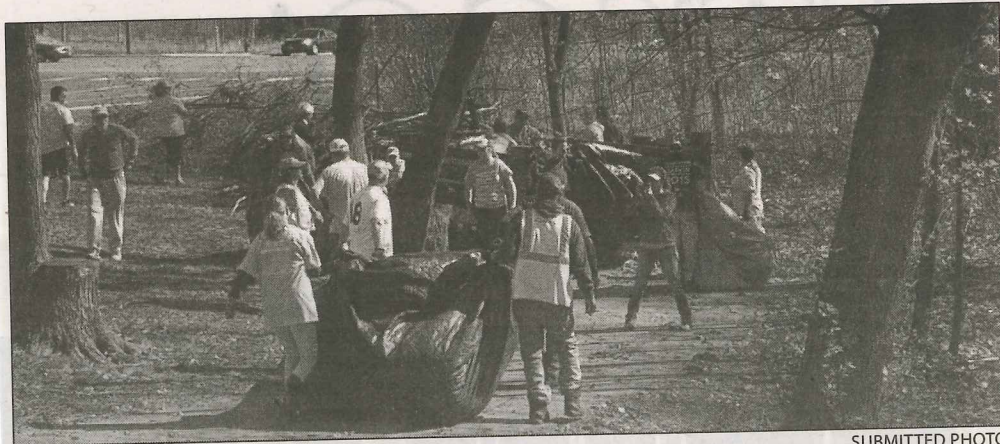

water quality improvements project at the park, which included native prairie plantings, wetland enhancements and the installation of an iron sand filter to treat incoming storm water before it reaches Prior Lake.

Volunteers are asked to register in advance and provide their own rakes for leaves. Buckthorn removal

will also be included in the cleanup. Sign up for the event at [plslwd.org](http://plslwd.org) or call the Prior Lake Spring Lake Watershed District at 952-447-4166. Local businesses will provide door prizes and snacks will be served.

In case of rain, the event will be moved to Sunday, Nov. 5 at the same time and same place.
