**Prior Lake, ✱
Watershed District
annual cleanup
postponed to Nov. 5**

The city of Prior Lake and the Prior Lake Spring Lake Watershed District's annual cleanup was postponed to Sunday, Nov. 5 due to rain.

The initial event was scheduled for 12:30-3 p.m. Sunday, Oct. 29 at Fish Point Park, 15111 Fish Point Road SE, Prior Lake. The Nov. 5 cleanup will be held at the same time, same place.

The city and the district recently completed water quality improvements project at the park, which included native prairie plantings, wetland enhancements and the installation of an iron sand filter to treat in-

coming storm water before it reaches Prior Lake.

Volunteers are asked to register in advance and provide their own rakes for leaves. Buckthorn removal will also be included in the cleanup. Sign up for the event at plslwd.org or call the Prior Lake Spring Lake Watershed District at 952-447-4166. Local businesses will provide door prizes and snacks will be served.
