

April 15, 2017 PLA

Sand Point Beach, 14349 Crest Ave.,
9:30 a.m. to 12:30 p.m. on April 23.

The Prior Lake-Spring Lake Watershed District and the city of Prior Lake host this event every year as part of an effort to keep Prior Lake clean and healthy. Volunteers will rake up leaves in the park and keep excess nutrients from entering the water. Too many nutrients in the lake can cause algal blooms.

Volunteers will receive a free T-shirt, lunch and a chance to win prizes donated by local businesses.

Pre-registration is required, but the event is free and open to the public. Call 952-447-4166 for more information.
